

## **CONGRATULATIONS PUTNAM 2008 HEROS!**

Armed with courage, wit and cleverness, you stepped in front of a giant elephant and with Behzad's scream - "no bully!" - you all jumped in front of this elephant, and in back, and on its tail, and on its ears, and on its trunk; until the solutions of problems gave in and they proceeded to elegantly cover the William Lowell Putnam Competition problem pages.

**Congratulations to you all! You wrote a great Putnam!**

With all best wishes and admiration,

Ján
