

**UNDERGRADUATE STUDENT RESEARCH AWARDS 2022  
DEPARTMENT OF MATHEMATICS @ WESTERN UNIVERSITY  
LONDON, ONTARIO**

Applications are invited for Research Awards for the summer months of 2022 in the Department of Mathematics, at the University of Western Ontario.

Supervision is available in a variety of areas within Mathematics and Applied Mathematics represented in the Department of Mathematics. Applicants are not required to specify an area of interest.

This program will be run in cooperation with NSERC's Undergraduate Student Research Award program. The awards will be for four months during May–August 2022. Salaries will be a minimum of \$2,250 per month for 4 months, depending on circumstances. We will, in addition, provide a travel allowance in accordance with NSERC's Travel Allowance policy. The awards are subject to availability of funding and depend on the qualifications of the applicants. Each applicant should be an undergraduate student in a mathematical sciences program, and possess an A average.

In accordance with NSERC and Canadian Immigration regulations, this advertisement is directed to persons holding Canadian citizenship or permanent resident status.

The closing date for receipt of applications is January 27th, 2022 at 3 PM. Unfortunately, only successful candidates will be contacted once awards have been made.

E-mail inquiries are welcome. Interested individuals should send a completed application form (in .txt format), a CV/resume, recent grade report, NSERC application for Undergraduate Student Research Award "Form 202–part 1" (must be completed and printed from NSERC's web site: <http://www.nserc.ca/>) and arrange to have two reference letters sent to:
