CONTACT : Please post general course related information in the forums. If you have a personal question, please email me at [adhil3+calc1000@uwo.ca](mailto:adhil3+calc1000@uwo.ca) (Note : if you email me non-personal questions eg, is topic X on the midterm, what is the format of the final, how do you solve problem Y, you will be asked to repost the question on the forums. The forums are monitored, so you should receive a quick response)

#### TEXTBOOK

1. Single Variable Calculus, Early Transcendentals, 8th Ed., by James Stewart (REQUIRED)
2. Student Solutions Manual (RECOMMENDED)
3. Enhanced Web Assign code (REQUIRED)

The most economical way to purchase these is in a [package at the university](#) bookstore. If you purchase a used book you will need to purchase an Enhanced Web assign code separately. In the past, this has worked out to be very expensive.

PREREQUISITES: Ontario Secondary School MCV4U or Mathematics 0110A/B.

#### EVALUATION OF STUDENT PERFORMANCE:

1. Homework Assignments : (20%) They are to be completed on webassign. There will be approximately 3-4 assignments due every week. **Late assignments will not be accepted, there are no extensions.** The only real exception is if you enroll late in the course. In this situation you will be give a shot extension on the first 2 assignments only.
2. Midterm Examination: (30%) . Saturday May 26th at 9am (2 hours)
3. Final Examination: (50%). Saturday June 23rd at 9am (3 hours)
